

# Hello! Allow me to introduce myself!

I am a practising Psychic & Spiritual Energy Healer with 60 years of experience. The very nature of what I do keeps me young! I've worked abroad, run healing clinics, have had a complementary health business, and founded the Joseph Carey Psychic Foundation which is a registered charity dedicated to healing and psychic & spiritual development. I teach would be aspiring healers and I am directly involved with national healing organisations to further awareness of complementary therapies and have taught and written extensively on energy healing and psychic development techniques.

I have given Energy Healing to many people and pets who have sought relief and help for a wide range of medical conditions.

In an appointment I will listen to the needs you have and advise how I will conduct treatment. and if you feel it is helpful to have another person with you who you trust, they are welcome to attend and observe the treatment. Any persons underage can only be given treatment with parent or guardian permission, and they must be present during the treatment. Pets can only sensibly be seen in their own environments and obviously the pet owner must be present during treatment.

I am fully conscious whilst giving treatment and can talk, if you so wish, as I conduct it. I allow one hour for the treatment and consultation, though it may be a little less or more depending on your needs.

Treatments are conducted at 250, Chichester Road, North End, Portsmouth PO2 0AU on the ground floor. If you are disabled in anyway I will assist you enter and leave.

If what I say here interests you and you would like to make an appointment or enquire further please give me a ring or text on 07989 534673, or email me at [tonyahome@ntlworld.com](mailto:tonyahome@ntlworld.com)

I look forward to meeting you.
